## ELECTRICIAN Program

### The NCE Advantage

- Family-like atmosphere
- Small class sizes
- Personal attention
- Flexible class schedules
- Job placement assistance
- Financial assistance for qualified applicants

### About National Career Education

Since 1989, NCE has been working with local employers to develop comprehensive quality career training to meet industry needs. Our instructors bring practical work experience to the classroom with relevant hands-on training they provide students. Our 31,000 square foot modern facility is conveniently located in Rancho Cordova.

### How do I get started?

Meet with the NCE Admissions Department,  
it's that simple!

National Career Education is a branch campus of Institute for Business & Technology, Santa Clara, CA. NCE is an accredited member of Accrediting Commission of Career Schools and Colleges (ACCSC). For information on graduation rates, median debt of graduates completing these programs, and other important information, visit [www.nceschool.com](http://www.nceschool.com).

# Overview

Electricians can work in a variety of environments, from residential and commercial to new construction and remodels. The work may entail installing electrical systems to maintaining and updating older equipment. Work may also include maintaining and repairing large motors, equipment, and control systems in business and factories. Residential electricians install wiring and troubleshoot electrical problems in homes.

## What will I be trained in as an Electrician?

NCE's Electrician program (State DAS Approved) is a comprehensive program, which prepares graduates for a variety of entry-level positions. As a graduate of the NCE program, you will gain knowledge in:

- Electrical code
- Wiring installation
- Conduit bending
- Motors and transformer systems
- Manual and electric industrial controls
- And more!

## Graduates of the NCE Electrician program can work in a variety of environments, including:

- Residential
- Commercial
- Industrial maintenance
- New construction

## Why take the NCE Electrician program?

- 9 months of training.
- Hands-on training
- State DAS Approved
- Financial Aid is available for those who qualify.
- Career placement assistance for graduates.
- Accredited Member ACCSC
